FCC Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

Warning: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
Reorient or relocate the receiving antenna.
Connect the separation between the equipment and the receiver.
Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
Consult the dealer or an experienced radio/TV technician for help.

The following importer is the responsible party contract for FCC matters:
Company Name: Fantasia Trading LLC
Address: 5350 Ontario Mills Pkwy, Suite 100, Ontario, CA 91764
Telephone: +1-800-988-7973

IC Statement

This digital apparatus complies with CAN ICES-003(B)/NMB-003(B).

Důležité bezpečnostní pokyny

- 1) Se zařízením neházejte.
- 2) Zařízení nerozebírejte.
- 3) Nevystavujte ho působení kapalín.
- 4) Pro co nejbezpečnější a nejrychlejší nabíjení používejte originální nebo certifikované kabely, napájecí zdroje, přídatná zařízení a příslušenství.
- 5) Tento výrobek je vhodný pouze pro mírné klima.
- 6) Okolní teplota při používání tohoto výrobku by měla být 32 až 104 °F (0 až 40 °C).
- 7) V blízkosti tohoto výrobku nesmí být umístěn otevřený oheň, například svíčky.
- 8) K čištění tohoto výrobku používejte pouze suchý hadřík nebo kartáč.
- 9) Uchovávejte tento přístroj mimo dosah dětí.
- 10) Nevkládejte do výrobku prsty ani ruce.

Tento spotřebič byste neměli vyhazovat společně s normálním odpadem. Je nutné jej recyklovat. Tento symbol značí, že s tímto výrobkem by nemělo být nakládáno jako s odpadem z domácnosti. Místo toho je nutné jej znést do příslušného sběrného místa pro recyklaci elektrických a elektronických zařízení.

Prohlášení o shodě

Společnost Anker Innovations Limited tímto prohlašuje, že výrobek je ve shodě se směrnici o rádiových zařízeních 2014/30/EU & 2011/65/EU. Úplné znění prohlášení o shodě pro EU je k dispozici na internetové adrese: <https://www.anker.com>.
